POWERFUL ACCESS TO INDUSTRY DECISION-MAKERS

In the current multichannel business environment, marketers require a media partner with the ability to reach across multiple platforms, including print, digital, social media, video, events and custom content.

Waste Today is unique in providing a truly integrated media offering. Our total commitment to in-depth print coverage coupled with news and analysis online provides unmatched market reach.

Research shows that decision-makers of all ages engage in multiple channels. Marketers investing in one miss a fair part of the audience. *Waste Today* won't let that happen.

By engaging decision-makers across platforms and throughout the industry, we provide total market reach for our advertising customers.

Don't miss powerful opportunities to connect with decision-makers by using just one channel focus. Be market focused.

Go with the leader, we'll connect you with decision-makers across the waste and recycling industry in print and online.

POWERFUL TOOLS FOR INDUSTRY MARKETERS

In today's world, there is no single media channel to connect with buyers. That's why we offer marketers the ability to leverage multiple platforms to deliver your marketing message.

Waste Today holds a unique position as the leading integrated media provider in the waste and recycling marketplace. Let us help you get the most out of every dollar you invest in marketing communications.

PRINT

In 2018, we'll publish eight issues packed with insightful business intelligence for waste industry professionals.

WEB

WasteTodayMagazine.com carries the latest news. The site is optimized for mobile users ensuring easy access to articles, videos and research that matters to the industry.

E-NEWSLETTER

Our weekly e-newsletter provides comprehensive, relevant coverage. By not bombarding industry executives with daily blasts, we garner increased reader loyalty and engagement.

DIGITAL

Each edition of *Waste Today* is available digitally and optimized for all mobile platforms to drive advertising impact and value.

HIGH-IMPACT MARKETING SOLUTIONS

In addition to our print and digital products, we develop high-impact marketing tools that meet your needs and objectives.

- Custom magazines
- Case studies and advertorials
- E-newsletter creation and deployment
- Roundtable or focus group discussions
- Podcast and webinar series
- Custom landing pages
- Brochures and books
- Special events

EXHIBITOR VIDEO

In cooperation with our sister publications, *Recycling Today* and *Construction & Demolition Recycling*, we'll produce two video products around WasteExpo that can supercharge your marketing.

Video Product Preview

Your product will be presented in a professionally produced video. Distributed in advance of the expo, this commercial will highlight why attendees should visit your booth.

Video Show Daily

Each day our editors will report live from the event. You can include your video to highlight your exhibit and to reach industry executives who are not there.

Each of these video products will be distributed to *Recycling Today*, *Construction & Demolition Recycling* and *Waste Today* e-newsletter subscribers — maximum market reach!
